Brand & Business Updates

Royal Enfield inaugurated New Assembly Plant In Thailand

Royal Enfield commenced operations of its first fully owned and operated CKD assembly facility outside India in Samut Prakan, Bangkok. The new plant highlights the brand's commitment to the Thai market and the wider APAC region. With a modern 57,000 sq. ft. setup and an installed capacity of over 30,000 units annually, the facility is Royal Enfield's sixth CKD assembly unit globally, joining existing plants in Argentina, Colombia, Brazil, Bangladesh, and Nepal.

Royal Enfield Expanded REOWN

Royal Enfield announced the expansion of its pre-owned motorcycle business, REOWN, now available in 236 cities across India. The initiative, launched in 2023 in select locations, provides a platform for buying, selling, and exchanging pre-owned Royal Enfield motorcycles. The service aims to simplify ownership and upgrades while ensuring transparency and reliability. REOWN now operates through 475 dealerships across 24 states. Royal Enfield also introduced its first-ever loyalty program with exchange benefits.

Royal Enfield Social Mission Hosts Journeying Across the Himalayas

As part of its social mission to support 100 Himalayan communities, Royal Enfield launched *Journeying Across the Himalayas*, a 10-day festival in Delhi that celebrates the Himalayan landscape, its people, and culture by showcasing a collection of artworks, photographs, and installations. The exhibition delves into the natural beauty of the mountains, the traditions of its inhabitants, and the deep-rooted connection between the region's ecology and its way of life.

About Royal Enfield:

The oldest motorcycle brand in continuous production, Royal Enfield has created beautifully crafted motorcycles since 1901. From its British roots, a manufacturing plant was established in Madras in 1955, a foothold from which Royal Enfield spearheaded the growth of India's mid-sized two-wheeler segment. Royal Enfields are engaging, uncomplicated, accessible and fun to ride; a vehicle for exploration and self-expression. It's an approach the brand

calls Pure Motorcycling.

Royal Enfield's premium line-up includes electric vehicle brand, Flying Flea - including the Classic-styled Flying Flea C6 and Scrambler-styled Flying Flea S6 - that recently showcased in Milan. It also includes the, Bear 650, Classic 650, Guerrilla 450 modern roadster, Hunter 350, Meteor 350, Super Meteor 650, Interceptor 650 and Continental GT 650 twins, the Shotgun 650, the new Himalayan adventure tourer, the Scram 411 ADV Crossover, the iconic Bullet 350, Classic 350 and the new Goan Classic 350. Riders and a passionate community are fostered with a rich profusion of events at a local, regional and international level. Most notable are Motoverse (previously Rider Mania), an annual gathering of thousands of Royal Enfield enthusiasts in Goa, and Himalayan Odyssey; a yearly pilgrimage over some of the toughest terrain and highest mountain passes.

A division of Eicher Motors Limited, Royal Enfield operates through more than 2000 stores across all major cities and towns in India and through nearly 850 stores in more than 60 countries around the globe. Royal Enfield also has two world-class technical centres, in Bruntingthorpe, UK, and in Chennai, India. The company's two state-of-the-art production facilities are located at Oragadam and Vallam Vadagal, near Chennai. Across the world, Royal Enfield has six modern CKD assembly facilities in Bangladesh, Nepal, Brazil, Thailand, Argentina and Colombia.
