Dear Govind,

This is my formal notice that I intend to take retirement this year. I have enjoyed my 10 years with the company, and consider myself extremely fortunate to have participated in the enormous progress the company has made in this past decade. Whilst I remain a Royal Enfield rider and enthusiast, I have reached the stage in my life when it is right for me to take my leave from the workplace, and devote my time to enjoying the world around us and spending more time with my family.

My last working day will be Friday the 13th of June.

I wish you and all at Eicher Motors continued success, and I will be following your progress with interest.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Simon Warburton', with a long, sweeping flourish extending to the right.
